From: J. Stacey (Celebration Mining)  
Subject: Vipont Mine road work

**COMMENTS:**

Dear Ms. Schilling,

I'm sorry for the delay in responding to you as I have been on Jury Duty and a short vacation that essentially took me out of the office for a total of 5 weeks.

We are still with the Vipont Mine project and still intend to perform road repairs and improvements. However, the financing for this project has been put on hold while some changes are occurring here in the office. We have merged our Company into a publicly traded corporation called Consolidated Royal Mines, Inc. The new name may or may not stick. I will still respond to anything addressed to Celebration. The financing, as I am told, is not too far in the future. These changes always effect dates and expected project performance.

Until then, I will try to keep you apprised of our direction and any pending activities.

Sincerely,

A handwritten signature in dark ink, appearing to read "J. Stacey".
